Re: Withdrawal of Notice of Intention to Commence Small Mining Activities, Rainbow Mines/Claims 1-8, S/053/025, Washington County, Utah

Dear Mr. Cornelius:

We recently received a copy of your notice to the BLM for your Limestone Mesa project located in Section 29, T41S, R12W, SLBM, Washington County, Utah. Upon receiving your notice we became aware that it was located within the immediate vicinity as the Rainbow Mines/Claims 1-8, which you and Mr. Gayford DeArmond permitted to operate in March, 1992. In checking with the BLM, we were informed that the Rainbow Mines notice is located in a BLM community pit and therefore, it could not be operated under a small mining notice. The BLM informed us that neither you nor Mr. DeArmond did any surface disturbance on the Rainbow mine notice.

We are therefore closing out our file (#S/053/025) for the Rainbow Mine/Claims 1-8 mining notice and releasing you and Mr. DeArmond from any reclamation responsibility of this community pit. No disturbance will be allowed under the Rainbow/Claims 1-8 mining notice. Your new notice for the Limestone Mesa has been given a new number. A copy of a letter addressed to the BLM for your new mining operation is enclosed.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
